AluCompact

15.4" - 18.4"

Elegant Notebook case for Notebook and accessories

AluCompact, classy in its optics and comfortable in handling. The two exterior hulls are made of full aluminum and are each manufactured from one piece which makes the case especially robust despite its light weight. Your mobile equipment is perfectly protected from shocks and jolts. The matte-colored and lockable latches are very stable and lock securely. The effective cushioning made of High-Density Foam (HDF) protects the Notebook safely inside the case! The Notebook strap can additionally be attached to the Notebook. In addition to the Notebook the AluCompact also has room for the power supply unit, replacement battery or other items. Additional mobile accessories can be stored in the workstation, documents can be placed in the document compartment in the case lid. The removable shoulder strap also provides for comfortable transport over longer periods of time.
